Dear Fortuna Tierra Committee,

Thank you so much for choosing me as a recipient for the Fortuna Tierra Committee Scholarship. I am incredibly grateful, and your generous offering has made a huge difference for me and my family as I continue on to a higher education.

I currently am a 18 year old who enjoys the outdoors and all aspects of a healthy lifestyle. My love for a well balanced body and mind is why I am going into Nutrition and Food Sciences at Fort Collins, and hopefully will be graduating by the Spring of 2020. Your scholarship has made a tremendous impact on my future, and I can't say enough about you and your willingness to lift the financial burden that college can be.

Sincerely,

Bella Hines
